

CTE SOLUTIONS

CTE Solutions is a Canadian owned and operated training company that has been dedicated to training IT Professionals in an instructor-led environment for over 10 years. We partner with best-of-breed companies to provide unsurpassed content using our own experienced instructors.

Through public, private, onsite, and Virtual Live, we provide instructor-led training for Technical, Management, and Business Skills for IT Professionals.... where and how you need it.

Procom and APCC active members have access to up to 40% off the regular price of training at CTE Solutions. The table below indicates the level of discounts available based on the level of Membership. To qualify, provide your active Membership # and refer to PROMO CODE
